

Desktop display box for office documents and books (reference number: CCD-10)

Sinst underwear packaging box The advanced color printing technology gives people a visual aesthetic feeling, and the design of each grid can be better organized.

video

Sinst Desktop display box for office documents and books Introduction

The simple version of the underwear packaging box adopts a horizontal four-panel design, which is convenient for organizing and summarizing, and says goodbye to cluttered space. It not only saves space, but also gives people a visual beauty. The material is made of hardened and thickened three-layer corrugated corrugated paper, which is more durable and has a slotted design for easy daily transportation. Underwear packaging boxes are available in a variety of specifications. The size and layout can be designed according to customer needs.

The color printing technology of Sinst underwear packaging box gives people a visual aesthetic, and the design of each grid allows for better organization and storage. Underwear packaging boxes are suitable for large shopping malls, supermarkets, homes, etc.; all Sinst underwear packaging boxes support customized drawings. We have rich production experience and a large number of customer cases. We welcome customization and wholesale according to drawings and samples. Looking forward to working with you!
